
Healing Service in the style of Taizé

Date: Third Tuesday of every month
Open: 7:00 pm for quiet meditation
Service: 7:30 - 8:30 pm

Music - Scripture - Prayers - Silence

Taizé is a small village in France where monks started a program of reconciliation for Christians.

Every month, youth gather from all over the world to live together for one week for Worship - Bible Study - Prayers.

The Prayer Songs are in many languages so that everyone can participate.

Meditative Songs

Singing is one of the most important forms of prayer. A few words sung over and over again reinforce the meditative quality of the prayer. They express a basic reality of faith that can quickly be grasped by the intellect and that gradually penetrates the heart and the whole being.

These simple chants also provide a way of praying when one is alone, during the day or at night, or even in the silence of one's heart while one is working.

JOURNEY THROUGH GRIEF

Journey through grief is a set of four short, easy-to-read books that offer words of comfort and hope to those grieving the loss of a loved one. Individuals and organizations send each of the Journey through Grief books to grieving people at specific, crucial times during the first year after a loved one dies. Each book focuses on what the person is likely to be experiencing at that time and provides care, assurance, encouragement, and hope.
